

# Welcome to the First Round of Public Information Centres for the Niagara to GTA Corridor Planning and EA Study

[Please sign in here](#)

Members of the Study Team are available to  
discuss and answer any questions you may have  
regarding this study

## OVERVIEW

Previous work undertaken by MTO and the approved *Growth Plan* for the Greater Golden Horseshoe shows the need for additional capacity in the Niagara to GTA corridor to support the long-term vision for the Province.

The study purpose includes:

- ❖ Reconfirming the need for additional transportation capacity
- ❖ Identifying transportation problems and opportunities
- ❖ Developing, assessing, and evaluating transportation system alternatives (all modes) to address identified problems and opportunities
- ❖ Recommending a Transportation Development Strategy for the Niagara to GTA Corridor

## PURPOSE OF THIS PIC

### We encourage you to get involved in this study!

- ❖ At this PIC, you can view the work that is currently in progress:
  - An overview of environmental conditions and constraints
  - An overview of transportation and economic conditions / trends in the Preliminary Study Area
  - The draft Study Plan for technical work, consultation, and outreach

### Find out how you can get involved in the study process!

- ❖ Learn about our consultation program, advisory groups, the project website, and the project office
- ❖ Learn about and submit an application for participation in the Community Advisory Group (CAG) that is being established for this study
